

Stucco decoration across Europe

Workshop 3 – UNITO Turin (Italy)

April 8-12, 2024

Main organizer: Department of Historical Studies, University of Turin

Main goals of the workshop

- Continue the dialogue among the participants already initiated in the previous workshops.
- Gain knowledge about the history of Piedmont and Turin.
- Reflect on the mechanisms of dissemination of decorative solutions related to stucco and wall decoration.
- Analyze the relationships between architects and stucco makers in different historical phases
- Conduct visits in churches and Savoy residences.
- Acquire knowledge about the history of restoration in Piedmont.
- Discuss the different methodologies of conservation and restoration of stuccos.
